However, if you need to exit the park, you are able to exit and enter the park ALL DAY with the daily wristbands.

CABANA RENTALS

Do you want an area all for yourself during your visit to the CBWP? Treat your family to a day of relaxation in your private cabana! The cabanas are 10'x10' and offer a private, shaded area for you to use for the day!

Weekend - \$75

SWIM LESSON UPDATE

We have heard your requests about swim lessons. Due to social distancing guidelines, we had to limit the number of participants in each session. Be sure to sign up early for lessons next year as they seem to fill up rather quickly.

A MESSAGE FROM THE CBWP

This truly is an uncertain time, but we are so grateful for our loyal guests, and we plan to continue to offer the Best Guest Experience in the County! We hope to see you at the Park!

COVID-19 PRECAUTIONS

THE CHESAPEAKE BEACH WATER PARK IS COMMITTED TO CREATING A SAFE AND FUN EXPERIENCE FOR OUR GUESTS. WE HAVE RECEIVED A STRICT SET OF RULES AND REGULATIONS FROM LOCAL HEALTH OFFICIALS THAT WE FOLLOW DAILY.

FOR MORE INFORMATION VISIT [HERE!](#)

HERE ARE
A FEW OF OUR NEW PRECAUTIONS:

- **Masks Are Required!** You do not need to wear a mask in the water or if you are social distancing in your seats. However, if you are walking around the park, waiting in line for food, or using the restrooms, you are required to wear a mask. Anyone not wearing a mask will be asked to return to their seat and put one on.

Social distancing is required! It is easy to do with our limited capacity! You must keep 6ft between parties at all times. We are required to enforce these rules.

- 25 new Hand Sanitizer stations have been installed around the Park. Disinfect to your hearts content!
- Every employee in every department received new and updated training on how to manage their positions in this new and evolving climate.
- We've changed our hours due to our limited capacity, and we are closed Mondays for a deep cleaning of the park. In addition, we do frequent daily cleaning of high contact areas.
- Calvert County has some of the lowest COVID numbers in the state! This is why our local government has agreed to allow us to open for County residents only.
